You must have Medicare Part A and Part B to join a Medicare Advantage plan.

Paying Your Plan Premium

If we determine that you owe a late enrollment penalty (or if you currently have a late enrollment penalty), we need to know how you would prefer to pay it. You can pay by mail or Electronic Funds Transfer (EFT) each month.

You can pay your monthly plan premium including any late enrollment penalty that you currently have or may owe by mail or Electronic Funds Transfer (EFT) each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month.

If you are assessed a Part D-Income Related Monthly Adjustment Amount, you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or Railroad Retirement Board (RRB). DO NOT pay CarePartners of Connecticut the Part D-IRMAA.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at www.socialsecurity.gov/prescriptionhelp.

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

If you don't select a payment option, you will get a bill each month.

Please select a premium payment option:

☐ Get a bill each month

☐ Electronic Funds Transfer (EFT) from your bank account each month

☐ Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check

I get monthly benefits from: ☐ Social Security ☐ RRB

(**The Social Security/RRB deduction may take two or more months to begin.** There may be a delay in withholding your premium due to SSA's monthly processing schedule, as the start date of premium withholding cannot be retroactive. If there is a delay, you will be billed directly for the first 1 - 2 months until your premium is deducted from your Social Security or RRB benefits check. You are responsible for paying all premiums due until premium withholding begins. If you do not pay your premium for the month(s) before premium withhold begins, you may be disenrolled from CarePartners of Connecticut. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.)

By completing this enrollment application, I agree to the following:

CarePartners of Connecticut is a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: October 15 – December 7 of every year), or under certain special circumstances.

CarePartners of Connecticut serves a specific service area. If I move out of the area that CarePartners of Connecticut serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of CarePartners of Connecticut I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from CarePartners of Connecticut when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

I understand that beginning on the date CarePartners of Connecticut coverage begins, I must get all of my health care from CarePartners of Connecticut, except for emergency or urgently needed services or out-of-area dialysis. Services authorized by CarePartners of Connecticut and other services contained in my CarePartners of Connecticut Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, NEITHER MEDICARE NOR CAREPARTNERS OF CONNECTICUT WILL PAY FOR THE SERVICES.

I understand that if I am getting assistance from a sales agent, broker, or other individual employed by or contracted with CarePartners of Connecticut, he/she may be paid based on my enrollment in CarePartners of Connecticut.

Release of Information: By joining this Medicare health plan, I acknowledge that CarePartners of Connecticut will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that CarePartners of Connecticut will release my information including my prescription drug event data to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of the State where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that: 1) this person is authorized under State law to complete this enrollment and 2) documentation of this authority is available upon request from Medicare.
