

This form allows CarePartners of Connecticut members to request reimbursement for any health care services you have received that were not initially covered by CarePartners of Connecticut (including out-of-country health care services). **Please note:** this form is not intended to be used for Weight Management reimbursement or for non-plan vision provider reimbursements through EyeMed Vision Care.

If a Member Reimbursement is being submitted by an Authorized Representative, please complete and include the CarePartners of Connecticut *Appointment of Personal Representative (AOR) Form*, or any legal documentation verifying personal representation, with your request. We require verification of the authority of a Personal Representative before the request can be processed. You can find the AOR Form on our website at carepartnersct.com/cpct-appointment-of-representative.
