PAYING YOUR PLAN PREMIUM

You can pay your monthly plan premium (including any late enrollment penalty* that you currently have or may owe) by mail or Electronic Funds Transfer (EFT) each month. You can also choose to pay your premium by having it automatically taken out of your Social Security or Railroad Retirement Board (RRB) benefit each month.

If you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium. DON'T pay CarePartners of Connecticut the Part D-IRMAA.

If you don't select a payment option, you will get a bill each month.

For plans with a $0 premium: If you currently owe a late enrollment penalty*, we need to know how you prefer to pay it. You can pay by mail or Electronic Funds Transfer (EFT) each month. You can also choose to pay by having it automatically taken out of your Social Security or Railroad Retirement Board (RRB) benefit each month. **If you do not owe a late enrollment penalty*, a payment option is not required**.

*For more information on the late enrollment penalty, visit **carepartnersct.com/LEP.**

Please select a premium payment option:

◯ Get a bill each month.

◯ Electronic Funds Transfer (EFT) from your bank account each month.

(If this option is selected, an *EFT Authorization Form* will be mailed to you. Please continue to pay your monthly premium until we notify you of your enrollment in the EFT program.)

◯ Automatic deduction from your monthly Social Security benefit check.

◯ Automatic deduction from your monthly Railroad Retirement Board (RRB) benefit check.

The Social Security/RRB deduction may take two or more months to begin. There may be a delay in withholding your premium due to the Social Security Administration's monthly processing schedule, as the start date of premium withholding cannot be retroactive. If there is a delay, you will be billed directly for the first 1–2 months until your premium is deducted from your Social Security or RRB benefit check. You are responsible for paying all premiums due until premium withholding begins. If you do not pay your premium for the month(s) before premium withholding begins, you may be disenrolled from CarePartners of Connecticut. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.
