

### Claim Form Instructions

Most EyeMed Vision Care plans allow members the choice to visit an in-network or out-of-network vision care provider. You only need to complete this form if you are visiting a provider that is not a participating provider in the EyeMed network. Not all plans have out-of-network benefits, so please consult your CarePartners of Connecticut Evidence of Coverage to ensure coverage of services and/or materials from non-participating providers.

If you choose an out-of-network provider, please complete the following steps prior to submitting the claim form to First American Administrators. Any missing or incomplete information may result in delay of payment or the form being returned. Please complete and send this form to First American Administrators within one (1) year from the original date of service at the out-of-network provider's office.

1. When visiting an out-of-network provider, you are responsible for payment of services and/or materials at the time of service. First American Administrators will reimburse you for authorized services according to your plan design.
2. Please complete all sections of this form to ensure proper benefit allocation. Plan information may be found on your ID card or by calling 866-591-1863.
3. First American Administrators will only accept **itemized paid receipts** that indicate the services provided and the amount charged for each service. The services must be paid in full in order to receive benefits. Handwritten receipts must be on the provider's letterhead. Attach itemized paid receipts from your provider to the claim form. If the paid receipt is not in US dollars, please identify the currency in which the receipt was paid.
4. Sign the claim form below.
