SECCIÓN 1: Introducción

Este directorio brinda una lista de los proveedores de la red actualizada de CarePartners de Connecticut. Para obtener información detallada sobre su cobertura de atención médica, consulte la Evidencia de cobertura (EOC por sus siglas en inglés).

Deberá seleccionar uno de los proveedores de nuestra red que se encuentran en este directorio para que sea su proveedor primario de cuidados médicos (PCP por sus siglas en inglés). En general, su PCP es quien debe brindarle los servicios de cuidado de salud.

Los proveedores de la red que se encuentran en este directorio han acordado brindarle los servicios de cuidado de salud y oftalmológico. Puede ir a cualquiera de los proveedores de nuestra red que figuran en el directorio. Sin embargo, es posible que algunos servicios requieran un referido.

Si recibe una factura de un proveedor no contratado por un servicio que recibió mientras seguía las reglas del plan y cree que debería estar cubierto por el plan, no pague la factura. Envíe la factura directamente a CarePartners de Connecticut para que se la procese y se determine su responsabilidad, si la hubiere.

Una "emergencia médica" es una situación en la que usted o cualquier otra persona con conocimiento promedio sobre salud y medicina, considera que tiene síntomas médicos que requieren de atención médica inmediata para prevenir la pérdida de la vida, de una extremidad o de la función de una extremidad. Los síntomas médicos pueden ser una enfermedad, una lesión, un dolor agudo o una condición médica que empeora rápidamente. Si tiene una emergencia médica:

- Busque ayuda lo más pronto posible. Llame al 911 para obtener ayuda o diríjase a la sala de emergencia o al hospital más cercanos. Solicite una ambulancia si la necesita. No es necesario que consiga primero un consentimiento ni un referido de su PCP.
- Asegúrese a la brevedad de que nuestro plan reciba aviso de su emergencia. Necesitamos hacer un seguimiento de su atención médica de emergencia. Usted o alguien más debería llamar para informarnos acerca de su atención médica de emergencia, por lo general en el lapso de 48 horas. El número telefónico para comunicarse con nuestro plan se encuentra al dorso de su tarjeta de membresía.
- Usted puede encontrarse fuera de nuestra área de servicio hasta por 6 meses consecutivos y seguir contando con la cobertura para emergencias y atención de urgencia.

Deberá utilizar los servicios de los proveedores de la red excepto en situaciones de emergencia o de atención de urgencia, o para diálisis renal u otros servicios fuera del área. Si recibe atención médica de rutina por parte de proveedores que no pertenezcan a la red, ni Medicare ni CarePartners de Connecticut serán responsables de los costos.

¿Qué es el área de servicio de CarePartners de Connecticut?

Los condados de nuestra área de servicios se incluyen en la lista que aparece a continuación.

¿Cómo encontrar proveedores de CarePartners de Connecticut en su área?

El directorio está dividido en varias secciones para flexibilizar la búsqueda de la información en la manera que mejor se adapte a sus necesidades. Para encontrar proveedores de CarePartners de Connecticut cercanos a su hogar, use como referencia el índice de ciudad/pueblo. Esta sección es un índice de proveedores primarios de cuidados médicos y especialistas que se incluyen en una lista por ciudad/pueblo.

Si tiene preguntas sobre CarePartners de Connecticut o necesita ayuda para elegir a un PCP, comuníquese con nuestro Departamento de Servicios al Cliente al 1-888-341-1507, de lunes a viernes, de 8 a.m. a 8 p.m. (Del 1 de octubre al 31 de marzo, los representantes están disponibles los 7 días de la semana, de 8 a.m. a 8 p.m.). Farmacias de la red

Este folleto brinda una lista de las farmacias de la red de CarePartners de Connecticut. Para obtener una descripción completa de nuestra cobertura de recetas, que incluye cómo surtir sus recetas, revise la Evidencia de cobertura y el formulario de CarePartners de Connecticut.

Las farmacias que aparecen en esta lista se denominan nuestras “farmacias de la red” porque hemos realizado acuerdos con ellas para brindar medicamentos con receta a los miembros del plan. En la mayoría de los casos, el plan CarePartners de Connecticut cubre sus recetas únicamente si se las surte en una farmacia de la red o mediante el servicio de farmacia de venta por correo. No está obligado a continuar yendo a la misma farmacia para surtir su receta sino que puede cambiar por cualquier otra farmacia de nuestra red. Surtimos recetas en farmacias que no pertenecen a la red en determinadas circunstancias, según se describe en la Evidencia de cobertura.

Es posible que no todas las farmacias de la red se encuentren en la lista de este directorio. Es posible que se hayan agregado o quitado farmacias de la lista luego de la impresión de este directorio. Esto significa que es posible que las farmacias incluidas en esta lista no continúen en nuestra red o que haya nuevas farmacias en nuestra red que no estén en la lista. Esta lista se encuentra vigente a partir de septiembre de 2018. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto se encuentra en la portada y en la contraportada.

Puede recibir medicamentos recetados en su domicilio mediante el programa de entrega por correo de nuestra red. Para más información, comuníquese con nosotros o consulte la sección de venta por correo de este directorio.

Si tiene preguntas sobre lo que se indicó anteriormente, consulte la primera y la última página de las portadas de este directorio para obtener información sobre cómo contactarnos.

NOTE: Not all eye care providers are within your PCP's contracting network. Although you may access any provider for routine services, you must receive all non-routine medically necessary vision services within your primary care physician's (PCP's) contracting network, with a referral from your PCP. This may require that you use a different provider if medically necessary vision services are needed.

M.D. = Ophthalmologists are physicians who perform eye examinations, prescribe glasses or other corrective devices, treat disease and perform surgical or other procedures.

O.D. = Optometrists are specialists licensed to perform eye exams and prescribe glasses or other corrective devices.
