D Paying your plan premium

CareAdvantage Preferred plan only: This plan has a \$0 premium. If we determine that you owe a late enrollment penalty (or if you currently have a late enrollment penalty), we need to know how you would prefer to pay it. You can pay by mail or Electronic Funds Transfer (EFT) each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month.

Plans with monthly premiums: You can pay your monthly plan premium, including any late enrollment penalty that you currently have or may owe, by mail or Electronic Funds Transfer (EFT) each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month.

All plans: If you are assessed a Part D-Income Related Monthly Adjustment Amount, you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or Railroad Retirement Board (RRB). DO NOT pay CarePartners of Connecticut the Part D-IRMAA.

People with limited incomes may qualify for *Extra Help* to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this *Extra Help*, contact your local Social Security office, or call Social Security at **1-800-772-1213**. TTY users should call **1-800-325-0778**. You can also apply for *Extra Help* online at www.socialsecurity.gov/prescriptionhelp.

If you qualify for *Extra Help* with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

If you don't select a payment option, you will get a bill each month.

Please select a premium payment option:

- Get a bill each month.
- Electronic Funds Transfer (EFT) from your bank account each month.
(If this option is selected, an *EFT Authorization Form* will be mailed to you. Please continue to pay your monthly premium until we notify you of your enrollment in the EFT program.)
- Automatic deduction from your monthly Social Security benefit check.
- Automatic deduction from your monthly Railroad Retirement Board (RRB) benefit check.

The Social Security/RRB deduction may take two or more months to begin. There may be a delay in withholding your premium due to the Social Security Administration's monthly processing schedule, as the start date of premium withholding cannot be retroactive. If there is a delay, you will be billed directly for the first 1-2 months until your premium is deducted from your Social Security or RRB benefit check. You are responsible for paying all premiums due until premium withholding begins. If you do not pay your premium for the month(s) before premium withholding begins, you may be disenrolled from CarePartners of Connecticut. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.

E Please select eligibility for enrollment period

Typically, you may enroll in a Medicare Advantage plan only during the annual enrollment period from October 15 through December 7 of each year. By checking any of the following boxes you are certifying that, to the best of your knowledge, you are eligible for an Enrollment Period.
