***Note:** If you are asking for a formulary or tiering exception, your prescriber MUST provide a statement supporting your request. Your prescriber may use the attached “Supporting Information for an Exception Request or Prior Authorization” to support your request.

Additional information we should consider (*Attach any supporting documents*):

Important Note: Expedited Decisions

If you or your prescriber believe that waiting 72 hours for a standard decision could seriously harm your life, health, or ability to regain maximum function, you can ask for an expedited (fast) decision. If your prescriber indicates that waiting 72 hours could seriously harm your health, we will automatically give you a decision within 24 hours. If you do not obtain your prescriber's support for an expedited request, we will decide if your case requires a fast decision. You cannot request an expedited coverage determination if you are asking us to pay you back for a drug you already received.

CHECK THIS BOX IF YOU BELIEVE YOU NEED A DECISION WITHIN 24 HOURS

Note: If you have a supporting statement from your prescriber, attach it to this request.
